Dolls Collection 2021

Los objetivos que son creíbles son alcanzables. - Idowu Koyenikan -

Lanzamos el primer catálogo de este nuevo e ilusionante proyecto llamado Marina & Pau hace un año.

No sabíamos lo que iba a suceder, desconocíamos las dificultades que encontraríamos en el camino.

Creímos en este proyecto y apostamos por llevarlo adelante aportando toda nuestra experiencia e ilusión.

Creímos en nosotr@s. Y lo hemos logrado, hemos crecido junto a vosotr@s.

*Gracias a la participación, colaboración y profesionalidad de muchas personas,
ahora podéis disfrutar de nuestra nueva colección.*

Goals that are credible are achievable. - Idowu Koyenikan -

We launched the first catalogue of this new and exciting project named Marina & Pau a year ago.

*We didn't know what was going to happen, we didn't know about new difficulties
that we would find along the way.*

*We believe in this project and decided to bet on carrying it out, contributing
with all our experience and enthusiasm.*

We believed in ourselves. And we have achieved it, we have grown together with you.

*Thanks to participation, collaboration and professionalism of many people,
you can just now enjoy our new collection.*
