Collection 2019

About us

Vidal Rojas is a start-up company founded in January 2012 whose hope is to find a place between the toy's market leading brands.

Our aim is to offer customers everything they wish regarding dolls, focusing on creativity and innovation.

Our philosophy is to do a great job marked by our homeland signature by using first quality materials and placing an emphasis on the creation of wonderful designs.

We are proud to present our catalogue here. As you can see, we have different doll's models and formats. Nevertheless, you can ask for other combinations for doll, shoes, accessories, etc. You can also request us other models regarding shoes, dresses, packaging, etc, which best suit your market needs and we will study the possibilities and the price.
